**E. DEAN'S celebrated Chemical
Plaster.**
AN IMPORTANT DISCOVERY
FOR Rheumatism, Peveries, Whiteswellings,
Inflammation in the eyes, Burns, Scalded
Throat in Scarlet Fever, Quinsy, &c.
TO THE PUBLIC.
To whom it may concern.—This may certify,
that I, ERASTUS DEAN, the proprietor of E.
Dean's Chemical Plaster, have for more than two
years been in a delicate state of health, so that I
have been unable to prepare and circulate said
plaster to that extent which the interest of the
suffering community demands; and feeling that
so valuable an article ought to be made known to
the afflicted, I have made arrangements with H.
Harris & Co., of Ashtabula, Ohio, to manufacture
and vend it in my name as my sole successors.
This, therefore, may be relied on as the genuine
article heretofore prepared by me. As witness
my hand.
ERASTUS DEAN.
Westfield, Chautauque co., N. Y., Jan. 1, 1839

The Chemical Plaster is an important remedy
to all those who are afflicted with inflammatory
complaints by its easing pain, counteracting in-
flammation, and giving speedy relief, by its active
strengthening and astringent properties. An ef-
fectual remedy for inflammatory rheumatism, acute
in the breast, cramp, burns, bruises, scrofula, old
sores, ulcers of almost every description, cankered
and swollen throat arising from scarlet fever, felons,
white swellings, chilblains, &c.—Persons
suffering from liver complaints, pulmonary dis-
eases, inflammation of the lungs, with pains in the
side and breast, pain and weakness in the back,
will find relief. In all cases it may be used with
safety.
The Plaster is now put up in boxes at 50
cents and 1 dollar each.
Made and sold, wholesale and retail, by H.
Harris & Co., Ashtabula, Ohio, sole proprie-
tors.—None genuine unless signed by H. Harris
on the wrapper.

TESTIMONIALS.
PENN LANE, Pa., April 7.
Messrs. Harris & Co.—Sirs: Since I was at
your store in July last, I have used E. Dean's
Chemical Plaster, which I have received from
you at different times, and feel myself in duty
bound to you as proprietors, and to the public
generally, to recommend the same as a safe and
efficacious remedy for those complaints for which
it is recommended. I have used it in several cases
of inflamed eyes, in some of which its effects as a
curative have been decided, and in no case has it
failed of giving relief where it has been applied
according to directions, and all who have used it
are perfectly satisfied with it so far as I know.
I have also applied it in some severe cases of ague
in the breast with the happiest effects.
I would also relate the case of Mr. Thomas
Logan, who has been afflicted with the rheumatism
in one hip for thirteen years, so that he had
been compelled to abandon labor, in a great mea-
sure. I let him have a box of the Plaster, he
applied it, and for three days found, as he sup-
posed, no benefit, but after that he perceived that
the pain was not so severe, and in less than two
weeks he could labor hard all day and rest free
from pain at night. He says he would not part
with the box he has for three hundred dollars,
providing he could not obtain another. He also
says to me, keep it on hand and recommend it
wherever you go.
I have used the Plaster in cases of pains in the
side, back, shoulders, &c. with like good effect.
Yours, &c. DANIEL KNEELAND, M.D.

MORRIS, June 18, 1839.
Messrs. Harris & Co.—Sirs: I have used E.
Dean's Chemical Plaster for four years past and
do cheerfully recommend it to physicians and the
public generally as an invaluable remedy in chronic
and acute rheumatism, sprains of the wrist,
ankle, shoulder, &c. In felons, whitlow and
scrofulous swellings of all descriptions, it is gen-
erally an effectual remedy. In short, wherever
there is pain, it is almost sure to give relief in a
few hours. I have used it in a great number of
rheumatic affections. One of my patients aged
40, full habit, had a rheumatic swelling on one
leg. He had been unable to get out of the house
for three months; his leg was swelled to an enor-
mous size, twice its usual bigness; every thing
had been done without success, until we com-
menced using Dean's Chemical Plaster. We enveloped
the knee and a portion of the limb in the
Plaster, and in three days the swelling entirely
disappeared, and in ten days he went about his
ordinary business. Such has been our success
with the article, and we now willingly recom-
mend it to the public for a trial.

Hay's Liniment.
NO FICTION.—This extraordinary chemi-
cal composition, the result of science and the
invention of a celebrated medical man, the intro-
duction of which to the public was invested with
the solemnity of a death bed bequest, has since
gained a reputation unparalleled, fully sustaining
the correctness of the lamented Dr. Gridley's last
confession, that the dard not die without giving
to posterity the benefit of his knowledge on this
subject, and he therefore bequeathed to his
friend and attendant Solomon Hays the secret of
his discovery.

It is now used in the principal hospitals, and
the private practice in our country, first and most
certainly, for the cure of the Piles, and also so-
lently and effectually as to baffle credulity,
unless where its effects are witnessed. Externally
in the following complaints:
For Dropsy.—Creating extraordinary absorp-
tion at once.

All swellings.—Reducing them in a few hours.
Rheumatism.—Acute or Chronic, giving quick
cure.

Croup and Whooping Cough.—Externally,
and over the chest.
All bruises, sprains and burns, curing in a few
hours.

Sores and Ulcers.—Whether fresh or long stand-
ing, and fever sores.
Its operations upon adults and children in re-
ducing rheumatic swellings, and loosening coughs
and tightness of the chest by relaxation of the
parts, has been surprising beyond description.—
The common remark of those who have used it in
the Piles, is "It acts like a charm."

For sale by D. Dewey, Apothecary's Hall, and
S. Sawyer, Dearborn Street Chicago.

LOOKOUT FOR IMITATIONS.
A base attempt has been made to imitate Hay's
Liniment, and imbringe upon the copy and other
rights of the proprietors. Never buy Hay's Liniment
unless it has a splendid engraved wrapper, and the
written, mind written signature of com-
stock & Co.

All others must be imitations. Any person ven-
dying any other article, by the name of Hay's Liniment,
either at wholesale or retail, will be prosecuted
for a violation of our copy right. The oath
of Mr. Hays may be found copied on our inside
wrapper, assuring that no other person knows
any of the component or essential parts of this Liniment—
and that he will not reveal the secret for
twenty years.

Oldridge's Balm of Columbia.
THIS article was first introduced into the New
York market about 20 years since, and on its
superior virtues in re-producing hair when it
had fallen out, keeping the head free from dandruff,
(a most laudable article on a gentleman's
coat collar) and giving a softness and beautiful
lustre unknown before to the hair, has induced
some persons to get up and advertise many other
articles for the same purpose, none of which stand
the test of trial, professing, as most of them do,
to be Oils of various kinds, all of which are positively
injurious to the human hair. Let none be de-
ceived, no other article will make the hair grow
rapidly, and of a good quality; but the Balm of
Columbia, and no article purporting to be the
Balm of Columbia is genuine without the name
Comstock & Co. on the outside wrapper. Some
have been deceived and obtained a counterfeit
article for the true and genuine Balm of Columbia.
Remember to look for the name of Comstock &
Co., on the wrapper, before you purchase, and get
none but the genuine. Don't be deceived with
the assurance that any without the name of Com-
stock & Co., is made in the same way and is just
as good, all such pretensions are false and known
to be so by the counterfeiter.

Sold wholesale and retail, only at No. 2, Fletcher
street, N. Y., by COMESTOCK & CO., and by
nearly every storekeeper throughout America.

THE only true and genuine receipt, and so de-
clared by the oath of Mr. Solomon Hays, has
never been made known to any person or persons
except to Messrs. Comstock & Co., and they only
have the right to prepare the said genuine Liniment,
which has established a reputation for effectually
curing the Piles in every case, and in all the
various stages of the complaint; also, Rheumatism,
Sore Throat, Sprains, Bruises, Sores and Ulcers
of long standing. All who have ever used it are
highly pleased with its beneficial effects, and
all who are in need of cures for any of the
complaints mentioned, and respectfully requested
to ask any one who ever used it. And we refer
with confidence to all who know of the article,
and especially to Matthew J. Myers, Esq., Athens,
N. Y., and Gen. Duff Green, late of Washington
City, all of whom speak in the strongest terms
and with the fullest confidence from personal ap-
plication and knowledge of its positive and never-
failing cures.

LOOK OUT!
Some swindlers have counterfeited this article,
and put it up with various devices. Do not be
imposed upon. One thing only will protect you
—it is the name of Comstock & Co., that name
must always be on the wrapper, or you are chea-
ted. Do not forget it. Take this direction with
you, and test by that, or never buy; for it is im-
possible for any other to be true or genuine.

**SPITTING OF Blood, Hooping Cough, and all
Pulmonary Diseases, cured by JAYNE'S EX-
PECTORANT, and Summer Complaints, Child-
ren's Croup, Diarrhoea, Dysentery, and all the
various affections of the Stomach and Bowels re-
medied by his CARMINATIVE BALM.**
Please read the following letter J.

Darlington, Beaver County, Pa. 2
February, 1839.

Dear Sir—I feel it due to you as the inventor
of the medicine and to the public, who may be
greatly benefited by it, to state a cure that was
performed in my family, by the use of your "Car-
minative Balm."

My little son, when about two months old, was
seized with a *croup complaint*, caused, as I sup-
pose, by a change of diet. It continued for two
weeks without intermission, and notwithstanding
the remedies prescribed by a respectable physician,
we gave up the child a victim, as we supposed, to
a fatal disease, but I providentially heard of
"Jayne's Carminative," as an effectual cure for
bowel complaint, and immediately despatched a
messenger to a town seventeen miles off for a bot-
tle. By the use of this medicine, in less than
thirty six hours the disease was checked; and by
its continued use for a few days the child was
restored to perfect health. Shortly after this,
there occurred a similar case in one of the fami-
lies of my congregation; I prescribed "Jayne's
Carminative," and the result was a speedy cure.
From a knowledge of the efficacy of your medi-
cine in bowel complaints, a disease to which
children are constantly liable, I have obtained and
keep constantly in the house, a quantity of the
"Carminative."

The same child, owing to exposure, when re-
cently coming up the Ohio, was attacked by the
horrible malady, CROUP. We landed in the
night at Beaver Point, and when our fears were
alarmed, lest the hoarse sepulchral cough was the
forerunner of death, we gave him a teaspoon full
of the "Expectorant." (a bottle of which you pre-
sented me with when in Philadelphia) and applied
some liniment to the throat and breast, and be-
fore many minutes the hoarseness was gone, the
child breathed freely and slept sweetly. Owing
to these circumstances it cannot be wondered at
why I have so high an opinion of Dr. Jayne's
medicine, and why I advise every family to keep it
on hand ready for any emergency.

Respectfully yours,
ARTHUR B. BRADFORD,
Pastor of the Presbyterian Church, Darlington,
Pa.
Dr. D. JAYNE.

Lambertville, N. J., April 27th, 1839.
Dr. JAYNE.—Dear Sir.—By the blessing of God
your INDIAN EXPECTORANT has effected a
cure in me of a most distressing complaint. In
December last, I was seized with great severity
by a Paroxysm of Asthma; a disease with which
I had been afflicted for many years past. It was
attended with a hoarseness and soreness of the
lungs and throat, together with a laborious cough,
and complete prostration of strength, and when
almost worn out with suffocation, a bottle of your
Expectorant was sent to my house. At first I
thought it was nothing but quackery, but seeing it
so highly recommended by Dr. Goring, with
whom I was well acquainted, I was induced to try it,
and in a few days it completely cured me, nor
have I ever had any return of the disease since.
I have now formed so high an opinion of your
medicine, that if I had but a bottle of it, and
could obtain no more, I would not part with them
for ten dollars each.

Yours, most respectfully,
JOHN SEGER.
Pastor of the Baptist Church at Lambertville.

PHILADELPHIA, June 9th, 1838.
To my personal friends—I would say, that I
am well acquainted with David Jayne, M. D.,
and know him to be a respectable Physician and
Druggist of this city—a gentleman in whom en-
tire confidence may be placed. I have tested in
my own case the beneficial effects of his CAR-
MINATIVE BALM, and have greater confi-
dence in it than all the other medicines of the kind.
His EXPECTORANT is equally celebrated and
efficacious.

Western Anti-Bilious Pills.
THESE Pills are offered to the public as a
CATHARTIC, adapted more particularly to
Bilious Countries, and intended to supply the
place of Calomel which is so extensively and in-
jurious used; especially when administered by
unskillful hands, as it too frequently is, in new
and thinly settled countries.

As this physic is quite as efficient in throwing
off a bilious attack, being at the same time per-
fectly safe, and altogether more proper, as a
preparatory medicine, in the treatment of BIL-
IOUS FEVER, FEVER AND AGUE, and
all the variety of intermittents, incident to a bil-
ious or ague country, it will certainly be found
preferable to all mercurial preparations; at the
same time their operation is so mild that they
may be used with perfect safety and great advan-
tage, as a FAMILY PHYSIC.

They will also be found useful in all BILIOUS
COMPLAINTS, Jaundice, Liver Complaint,
Sick-Headache, Ague Cuts, Colic, Costiveness,
Loss of appetite, and in all cases of Torpor of the
Bowels.

Full directions accompany each Box. Price
25 cents. Prepared by

DR. SPOHN'S

Sick Headache Remedy
NEVER fails to give relief in 15 or 20 minutes
after taking the first dose, and perseverance
according to the directions soon effectually re-
moves all pain from the head and sickness from
the stomach, and the person feels perfectly
cured. When the first symptoms of an attack of
sick headache are felt, the remedy should be re-
sorted to immediately and one or two doses is
then sufficient to remove every vestige of the
complaint. It gives universal satisfaction to all
who try it; Sick and Nervous Headaches are
only complications of the same disease, and both
are effectually cured by this article without change
of diet or occupation.

Judge Patterson.
Read the following from Judge Patterson, for
thirty years the first Judge of the County in
which he lives.

MIDDELTOWN, N. J., March 12, 1840.
Messrs. Comstock & Co.

Gentlemen—You are at liberty to make such
use of the following certificate as you deem will
best subserve the purposes for which it is intended:

(Certificate of Judge Patterson.)
I HEREBY CERTIFY, that my daughter has been
afflicted with the sick headache for the space of
about 30 years—the attacks occurring once in
about two weeks, frequently lasting 24 hours,
during which time the paroxysms have been so
severe, as apparently soon to deprive her of life.
And after having tried almost all other remedies
in vain, I have been induced as a last resort to
try Spohn's Headache Remedy, as sold by you;
and to the great disappointment and joy of her-
self and all her friends, found very material relief
from the first dose of the medicine. She has fol-
lowed up the directions with the article, and in
every case when an attack was threatened, has
found immediate relief, until she is now perma-
nently cured. The attacks are now very seldom,
